Data needed by:

2. Your Information:

Name:

Address invoice to

Dep't:

Name:

Email:

Dept:

Advisor:

Email:

3. Your sample(s):

sample name:

solvent:

molecular mass:

sample mass:

Please attach a Chem Draw file.

Please check all that apply:

Toxic

Nontoxic

Unknown Toxicity

Radioactive

Biohazard

Other (please explain)

4. Information desired:

5. Sample drop-off details.

Unless other arrangements are made, please leave samples on the bookshelf adjacent to the door just inside the magnet room of ISB B143. Please let Justin or Sarah know that you have submitted the samples.

Note: By submitting this form you (and your advisor, if applicable) agree a) to pay any charges associated with instrument time, consumables and personnel for data acquisition and analysis. Current rates can be found at <http://nmrlab.ku.edu/rates> b) to abide by the MSG policy on Publications and Acknowledgements (http://msg.ku.edu/policies_publications). The NMR lab will provide a quote, if requested, and inform the customers of any changes in the experimental approach that will increase the charges relative to the quote.
